## 9/11: Why Muslims Hate America

**08 Rabi'ul Awal 1446 H (11 September 2024)** – As the United States of America commemorates the anniversary of September 11, 2001, it has yet to comprehend the disastrous consequences of its foreign policy and support for the apartheid regime called Israel. America's continued intervention and occupation of Muslims lands and support for the genocide of the Palestinian people highlights Americans' failure to learn from the historic and bloody events that shook their nation.

It was 23 years ago today, when 19 brave Mujahideen warriors equipped with an unwavering faith and certainty in the promise of Allaah attacked America on its own soil, targeting its economic, military and political establishments and shattering the façade of its invincibility. Consequently, instead of addressing the underlying issues that contributed to the death of thousands of its citizens at home and abroad, America only increased in haughtiness, openly declaring its global crusade against Islam and Muslims.

Today, however, after more than two decades of war and trillions of American taxpayer dollars squandered, America has nothing to show for its so-called war on terror except for abysmal failure and even worse, it remains oblivious both to the causes that led to the attacks in the first place as well as the motivations of the Mujahideen martyrs.

Contrary to the false pretexts portrayed by American leaders that the attacks were fuelled by Islam's innate hatred for American freedoms and way of life, September 11 was a direct response to American hegemonic foreign policy in Muslims lands and its support for the Israeli genocide and occupation of Palestine; both reasons remain valid today as they were in 2001, as we witness America's role in the genocide of the Palestinian Muslims in Gaza.

In an attempt to expound on America's continued War against Islam, **Al-Kata'ib Foundation for Media Productions** will soon release a documentary on the causes and consequences of September 11 attacks. The documentary, which is over an hour long and to be published in three languages, will also shed light on America's historical injustices against humanity, the moral decay of its society, its threat to world peace and will also elucidate further on why Muslims hate America.

While America mourns today, we, on the other hand, pray that Allaah accepts the martyrdom of the Mujahideen leaders and the 19 brave knights who carried out the blessed attack of September 11. We ask Allaah to grant them the lofty ranks in paradise for their efforts in awakening the consciousness of the Ummah and emboldening them to fight Jihad against the Pharoah of Today, United States of America. We ask Allaah to hasten the release of all Muslims from the prisons of the Zionists and Crusaders.

Finally, we call up on all Muslims to stand up in order to wage Jihad against the Americans and their Zionist allies and to target their interests around the globe and to keep in mind the statement of Allaah:

***“And fight them until there is no more Fitnah (disbelief) and (all and every kind of) worship is for Allaah (Alone).”*** [Al-Baqarah, 193]

وَلِلَّهِ الْعِزَّةُ وَلِرَسُولِهِ وَلِلْمُؤْمِنِينَ وَلَكِنَّ الْمُنَافِقِينَ لَا يَعْلَمُونَ

*“But honour belongs to Allaah and His Messenger, and to the Believers but the hypocrites know not”*
